Dear Hiring Manager,

I am applying for an Information Technology Internship. I am a Bachelor of Science in Information Technology student at MMUST (2024-2028).

I have practical skills in software development, networking, Windows Server, Active Directory, VMware, Cisco Networking, C, C++, Java, Python, JavaScript, React, MySQL, Git and IoT.

I have completed IBM SkillsBuild certifications in Artificial Intelligence and Machine Learning and developed academic projects including a React portfolio website and an ESP32 temperature monitoring system.

Thank you for considering my application. I look forward to the opportunity to contribute to your organization.

Yours faithfully,

Amos Opiyo
